Other Cost:

1. Uniforms: All students must have an official Blythewood Tae Kwon Do uniform before starting class. The cost is \$45.00

2. Test: There is a promotion test every two months. The cost of the test is \$45.00. This includes the cost of materials and belts. Only students that have attended at least two classes per week and have demonstrated to the instructor the appropriate level of knowledge and skill are allowed to take the test. Even with these safe guards, occasionally a student does not pass the test. Those students will have to retake the test on the next scheduled time and will be expected to again pay the testing fee. There is a \$10.00 late fee for turning in the test application after the deadline. There is also a \$10.00 additional fee for students who want to take a makeup test (a test on a day other than the scheduled date). See below for information on the Black Belt Test.

3. Black belt testing: For most students starting at white belt it will take about 2½ to 3 years to prepare for the Black Belt Test. Since that is a considerable time in the future the price and rules are subject to change. To give the new student an idea of what to expect the current price for a Black Belt Test is \$400.00. (This covers the temporary test and the permanent test.) If a student fails (about 10% do) there is an additional \$50.00 fee for retesting.

4. Protective equipment: When a student becomes a Yellow Belt they will begin to learn about sparring. In order to spar with another student they must have approved protective equipment. Just as with the uniform the head gear and the chest gear must have the Blythewood Tae Kwon Do logo printed on them. A complete set of the gear will cost \$135.00. *Please talk to Ms Skroback if you have difficulty with this cost.*
